

IMPORTANT NOTES

- If the Managing Owner does not object to this Fees Notice within 14 days of it being provided, the basis for charging set out is deemed to have been accepted.
- It is not possible for the Trainer to indicate to the Owner in advance the exact total monthly/yearly cost for training a horse. This is because while some fees are charged at a fixed daily rate (e.g. daily training fee), others are variable (e.g. per treatment for veterinary services). Also, horses vary in the rates at which they mature and progress, including while on agistment and through each preparation, which can influence the total fees for a particular horse.
- Race entry fees are not included in this Fees Notice – they are additional to the costs set out herein. The Trainer will inform the Managing Owner of those fees as soon as practicable.
